

TheSatellite.biz Fully Customizable Payment Processing Solutions

Dear Valued Client,

I trust you and your loved ones are staying safe in this unprecedented time we are all living in now. We want to let you know we appreciate your business and loyalty. We are excited to announce new modules and new functionality in existing products. We look forward to the opportunity to improve your organization's processing workflow.

Our Motto

We provide Zero cost Payment Processing solutions which require no Hardware/Software changes to your existing system(s).

We offer customizable solutions for organizations of any size or complexity including:

1. 24/7 payment processing support through your customized Webtownhall.org payment portal or face to face in your office. Thus, providing a range of payment solutions, including credit/debit card processing, ACH/ E-check origination, Nacha compliant bank account validation, fraud prevention and with our processing partner **CHOICE** 100% PCI-DSS compliance.
2. Full support of all online and face to face **Installment Payments** including all variations of **Split Payments**. (ex. multiple cards, card(s) & cash)
3. Payments Plu\$ your "Go-To" app for credit/debit card and e-check payments. Your solution to cash-out and reconcile all transactions for all departments.
