

Summer Reading Project 2022

Class of 2030 - Grade 5

Dear Fifth Grader,

Attached is the summer reading project. You can make choices when it comes to your summer activity and book. I have included a list of books for you to choose from, but they are merely examples. **Every student is required to read one book and complete a tic tac toe project. Tic Tac Toe is usually three in a row, but for this project, it's okay to choose any three activities.** You will find all the activities, rubrics, and directions for this project in this packet, but if you have questions during the summer, you may email me at mephelan@germantowncsd.org. You need to bring your completed projects on the first day of school.

Fifth Grade uses the Remind app/webpage to communicate with families. If you could please follow the following steps (see attached document) to sign up for remind, we will use this format to communicate with families during the next school year.

I'm using Remind to send important updates, assignments, and information for Class 2030. Please click on the link below to join our class. (For reference, our class code is @5th2030.)

<https://www.remind.com/join/5th2030>

Have fun and be creative! I look forward to seeing your great work! Have a fantastic summer and see you in September!

Yours Truly,

Mrs. Phelan, Mr. Pudney, and Mrs. Melino
